

ARCTIC  
**ARCTIC MATT**

Arctic Matt is a matt, coated paper with a soft, white surface with a natural feel. The paper has good opacity and rigidity, high bulk and excellent printing and finishing properties. The matt surface provides a readerfriendly, reflection-free surface. Arctic Matt standard products are available as FSC™ – The mark of responsible forestry. [www.fsc.org](http://www.fsc.org). FSC-C022692 and PEFC certified.
